1. This Station desires to be placed on distribution for copies of economic reports and future supplements to the reports issued by the International Cooperation Administration, (Office of Research, Statistics and Reports) in their Regional Data Book on the following countries: Afghanistan, Pakistan, India, Australia, New Zealand. We are already receiving the reports and supplements on the Far East which have proved very helpful.

2. Please forward one copy of RR CP 30-31, dated 26 May 1960, Development of Civil Air Policy in Communist China. This has been requested
